Art Unit: 3654

1. The following is an examiner's statement of reasons for allowance: The prior art does not suggest a paper reel storage system with a fork leveling system which detects the load directly, instead of an aspect of the loading on a portion of the fork, and which has an actuator that accepts measured data, instead of control signals from the controller.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
3. An inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas J. Braham whose telephone number is (571) 272-6921.
